# 37th Annual Tournament

PIEDMONT AUGUSTA FOUNDATION  
**Jernigan**  
Memorial Golf Tournament

Your participation in this year's tournament benefits the Piedmont Augusta Stroke Program. Proceeds will fund state-of-the-art equipment that will allow our physicians and staff to continue providing critical stroke response and treatment, and top-notch neurological rehabilitation and therapies. Our passion is to provide a full range of stroke care to our patients through every step of their stroke journey. Your continued support allows us to fulfill our purpose: **to make a positive difference in every life we touch.**

## Jernigan Memorial Golf Tournament

Our foundation's first president, Harry W. Jernigan, Jr., had two passions: our hospital and golf. During the 1970s and '80s, Mr. Jernigan helped establish a variety of facilities and services, all designed to improve the quality of care for our patients. His legacy lives on at Piedmont Augusta through the Jernigan Memorial Golf Tournament. For 37 years, the tournament has raised funds to provide financial assistance to patients, employees continuing their education, and the capital improvement needs of Piedmont Augusta.

**100% net proceeds** from this event stay right here in our community to benefit Piedmont Augusta's comprehensive stroke program, which promotes stroke prevention and education. Your donations mean we can help save more lives!
